ADMISSION AND REGISTRATION

Admission

All correspondence pertaining to the admission of an undergraduate to the University should be addressed to the Director of Admissions, Chubb Hall, Ohio University, Athens, Ohio 45701, unless the student has been previously enrolled. A previously enrolled student should request a reenrollment form from the Office of Admissions. Prospective graduate students should contact the Graduate College, Wilson Hall, Ohio University, Athens, Ohio 45701.

Pre-registration

See the "center fold" for complete instructions on pre-registration.

Registration of New University College Students

A freshman student entering the first term should report for orientation on Sunday, June 17, at 2 p.m. in Bentley Hall. Registration materials for those students who did not pre-register will be distributed at the orientation meeting.

Students entering the second term should report for orientation on Monday, July 23, at 8 a.m. in the University College office, Chubb Hall. Registration materials should be picked up at the University College office.

A student development program for University College students including special counseling, advising and tutoring will be available without additional cost to students who may need some special attention establishing themselves in a successful pattern of university-level achievement.

In-person Registration

First Term, June 19. All new students who have made application to attend summer quarter by June 8, 1973 and did not pre-register should report to the office of their academic deans on Monday, June 18, to receive registration material.

New freshmen, transfer and reenrolling students admitted to Ohio University after June 8 must report to the Office of Admissions, Chubb Hall, to receive their registration material.

Students who were enrolled during the spring quarter on the main or branch campuses must report to the Office of Registration, Chubb Hall, to receive their registration material.

Second Term, July 23. Students who registered for first term only must add second term courses by *change order,* which can be obtained in Chubb Hall. Change orders must be approved by the instructor and academic dean. The completed change order must be returned to Chubb Hall for fee assessment.

Students not in attendance for the first term must report to Chubb Hall to receive registration material at the Office of Registration.

Regional Campus Summer Quarter

Summer classes will be held during the first term on the following regional campuses: Belmont County (St. Clairsville), Chillicothe, Lancaster, Lockbourne AFB, Portsmouth and Zanesville.

Students interested in obtaining a schedule of classes and other information about summer courses at the regional campuses should contact the preferred regional campus directly.

Change Orders

Once a student has officially registered, a change order must be used to remove or add a course. The change order form is obtained in the office of the dean of the student's college and must be submitted within 24 hours, with proper approval of the dean. Failure to clear promptly invalidates the change order and results in a grade of F for the course.

Credit

All credit is designated in quarter hours. The credit hours applicable to any given course taken in the summer are the same as for the other quarters. The summer courses may be taken for the full ten-week quarter, or for either of the five-week terms. By attending both five-week terms, a student may earn up to 18 hours of credit.

Auditing Privilege

At the time he is advised, a student may receive permission to audit courses. The courses must be marked "Audit" on the schedule and registration forms. The fee for auditing is the same as for credit.

Graduation Requirements

Graduate students expecting to receive degrees on August 25, 1973, must submit applications by June 25. For further details on graduation requirements, see the *Ohio University Bulletin* series.

Identification Cards

Monday, June 18, in Chubb Hall 031 from 8:00 a.m. to 5:00 p.m. All students are required to have identification cards. Remainder of quarter, 8:00 a.m. to 4:00 p.m.

PREPARATION OF SCHEDULES

Students should study the proposed curricula in the *Ohio University Bulletin: 1972-73 Undergraduate Catalog, Curricula and Courses,* as well as the *University College Bulletin,* to be certain that all requirements for graduation are being met and that all prerequisites have been met for the courses selected. The responsibility for seeing that all graduation requirements have been met rests with the student.

Veterans Benefits

Those who are affected by the Veterans Administration Bill must report to the Veterans Coordinator in Chubb Hall. Undergraduate students must register for 6 quarter hours each summer term for full benefits. Graduate students must register for 6 quarter hours of graduate work for full benefits unless on graduate assistantship (9 hrs. is full time).

FEES AND REFUNDS

General Registration Fee

Except for fees for instruction such as music and bowling, the general registration fee includes all student activity, student services and course and laboratory fees. These fees apply to single-term courses, courses extending over both summer terms, workshops offered for credit or a combination of courses and workshops.

Fees are subject to change without notice at the discretion of the University.

GENERAL INFORMATION

Housing Regulations

All Athens campus freshmen (0-44 hours earned) and sophomores (45-89 hours earned) are required to reside in University-owned housing and participate in the associated board plan. Status as a freshman and sophomore will be determined on the basis of quarter hour credits earned and accepted by Ohio University at the conclusion of the immediately preceding spring quarter. The exemptions, which must be requested in writing, are for 1) students carrying fewer than three hours during the summer; 2) married students residing with their spouses within commuting distance; 3) students commuting from the homes of their parents or legal guardians; 4) sophomore students living in recognized fraternity or sorority houses; 5) veterans of 18 or more months of active military service; 6) students under treatment for physical or psychological incapacity whose treatment will continue while at Ohio University (this exemption to be initiated by the Hudson Health Center or the Center for Psychological Services). This regulation applies to all regular freshmen and sophomores as well as all special students.

Residence Facilities

Ohio University residence facilities meet the varying needs of students. Housing is available for students under 21, graduate students or students over 21, as well as married students, in University-owned facilities.

A residence hall contract will be mailed to all new students by the Housing Office after admission has been granted. Any currently enrolled student may obtain an application form for University housing by writing to the Director of Housing, Chubb Hall, Ohio University, Athens, Ohio 45701. This form must be completed as directed and returned with the appropriate advance payment to the director of housing. Checks or money orders should be made payable to Ohio University. An application is accepted only if accompanied by the required advance payment and assignments are made in order of date of receipt of application with accompanying room payment.

Motor Vehicles

University policy and regulations state that no student shall drive, operate, park or otherwise use a motor vehicle on the land and property of the University without first registering said motor vehicle with the director of security. This regulation includes student-owned vehicles, vehicles belonging to parents or relatives (including wives or husbands), vehicles belonging to friends, rental agencies and dealers.

Upon registration the student will receive a decal which must be attached to the vehicle as described in the brochure issued with the decal.

Failure to register a motor vehicle as provided by the regulations will result in a fine or disciplinary action or both.

Two-wheeled motor vehicles are not permitted to operate on University property at any time and are permitted to park only in areas specifically designated for motorcycle parking.

Workshops, Conferences and Institutes

Workshops, Conferences and Institutes (WCI) are special programs for the summer. Some of these programs, such as those listed below, may be taken for college credit. Registration and fee payment for these programs are accomplished only in the Workshop Office. Additional programs may be offered this summer and persons desiring information should contact the Workshops Office in Tupper Hall, Room 301, Telephone 594-4907.
